

Custom Made Oak Clock

Handcrafted and Donated by Ken Austin

The clock is made from an Oregon wine barrel that has been retired. Each clock is unique because of the barrel maker, the winery and the wine maker marks on the barrel.

Afghan

Handmade and Donated by Pam Jensen

This hand knit llama fiber lap robe/afghan was made by Pam Jensen, Hid-N Hills Llamas, with fiber from her herd. It is approximately 6 feet long by 4 feet wide. All natural color. This will keep the new owner very warm and cozy on a cold winter night and is a fine example of the beauty of hand knits made from llama fiber.
